

CHAMBER MEMBER PARTNERS

You choose the level that works for you.

If you are interested in making an impact on the future economic viability of our region, you will want to join the businesses known as our partners.

These businesses are recognized as leaders within the community and make a vital commitment to the economic development of the region through their enhanced investment in the Beaufort Regional Chamber of Commerce. Partner contributions provide critical funding for the Chamber's economic development activities, business advocacy, military advocacy and destination marketing. This includes recruiting new companies to the area,

nurturing entrepreneurs, assisting existing businesses as they grow and expand, promoting Beaufort as a preferred destination to invest, enjoy and prosper in the Lowcountry, enhancing the military community relationship in Beaufort, and raising awareness about issues pertaining to the military and how the bases impact our region.

Chamber Partners also receive exclusive Chamber benefits, including invitations to specially-programmed events and enhanced exposure. Our work cannot get done without the support of our partners.
